Image based on an H/D model

K1-2-3 Black Five Kit.
We will be issuing our second unique style complete kit, no soldering required, in 3 variations.
Price £375.

Illustrated is an extremely rare 8F by Bassett Lowke c1950 the only other gauge 0 offering by a commercial maker in the history of standard scale. ACE completed the story with its usual flair by contributing one of the last eight coupled main line freight locomotives to enter service in reality and newly revived gauge 0.
E/38 - Price £695 plus postage if required. Available as a small edition in LMS gloss maroon, LMS satin black, LNER apple green and BR liveries.

* We will be publishing a unique Silver Jubilee Commemoration illustrated with 118 full colour photographs of some of our production range over 25 years. 200 only of these will be available for sale at £10 inc. UK postage.
